

2022

OCTOBER SEVERE WEATHER

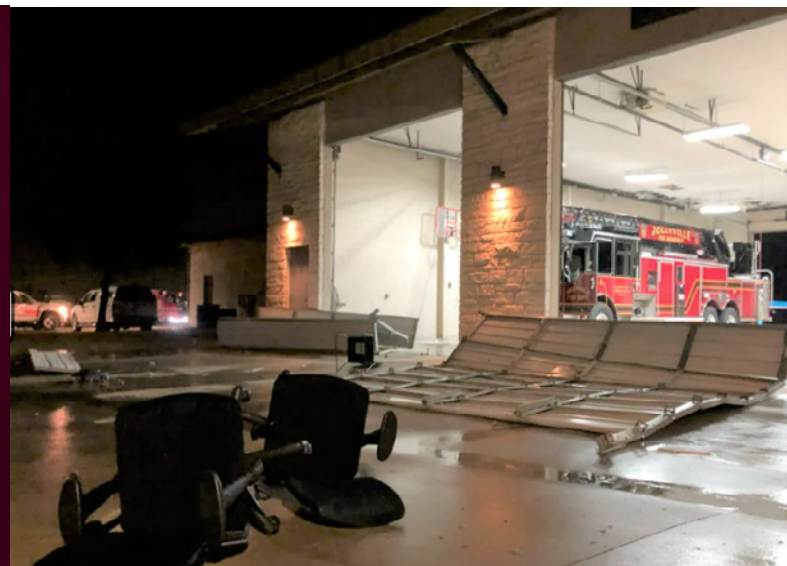

Deployment Statistics

Lasted a total of 2 days

46 Personnel activated supporting the following resources:

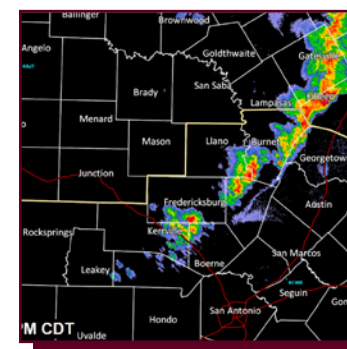

- Type 3 Water Capable Search & Rescue Team

Type – **RAIN**

On October 24, 2022, the Texas Division of Emergency Management activated Texas A&M Task Force 1 to prepare for severe weather and possible tornadoes in Texas Region 2. The Task Force was activated as a Type 3 Water Capable Search & Rescue Team to be staged in College Station.

The team served as backup for local responders overnight. After no requests for service all resources demobilized back to their home stations.

OCTOBER 24-25
