

### Deployment Statistics

Lasted a total of 5 days

43 Personnel activated supporting the following resources:

- 6 Water Rescue Squads
- 5 Helicopter Search and Rescue Specialists

Type - **RAIN**

At the beginning of September 2018, weather conditions were threatening heavy rainfall with the possibility of widespread flooding across the state of Texas. The Texas Division of Emergency Management requested Swiftwater Squads and HSART be prepared.

On September 7, 2018 TX-TF1 deployed six Water Rescue Squads with one Water Group Supervisor to support Abilene, Austin, Brownwood, Ilano, Stephenvill, and Denton, Texas. Four Helicopter Search and Rescue Technicians with one Manager were sent to Martindale Army Airfield in San Antonio, Texas.

After receiving no requests or assistance, all but one of the Water Rescue Squads were demobilized on September 10. The remaining team reported to Galveston, Texas to support the locals as needed. The team was demobilized on September 11.
