Lasted a total of 4 days

74 Personnel activated supporting the following resources:

- 9 Water Rescue Squads
- 2 Helicopter Search and Rescue Technicians

Type - **RAIN**

On September 13, 2018, TX-TF 1 deployed 9 Water Rescue Squads, 2 Water Division/Group Supervisors, 3 Liaisons Officers, 1 High Profile Vehicle, 2 HSART's, the Joint Air/Coordination Team, and a small ESF-9 SAR Overhead Team in preparation for flooding conditions across the state.

These resources were staged in locations that experienced significant rain and flash flooding, that included Weslaco, Kingsville, Corpus Christi, Three Rivers, Victoria, Austin, and Galveston. On September 14, an additional Water Rescue Squad deployed to support Fulshear, Texas if needed.

The team completed many reconnaissance missions, assisted the locals as needed, and searched river banks for stranded civilians. All TX-TF1 resources were demobilized on September 16 and returned to their home stations.
