44 Personnel activated supporting the following resources:

- Type 3 SAR Team

Teams completed:

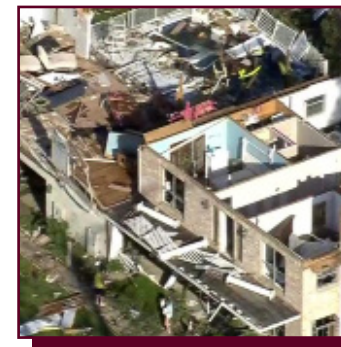

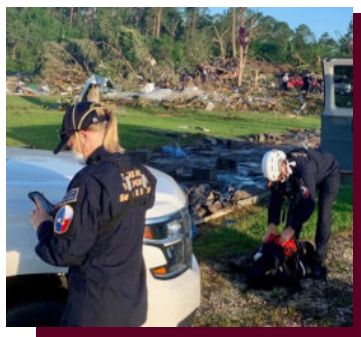

- 560 Searches
- 151 Damage Assessments
- 91 Well Fare Checks

Type - **RAIN**

On April 22, 2020, Texas A&M Task Force one was activated by Texas Division of Emergency Management to Polk County, Texas, after they were struck with an EF-3 tornado. They headed to the town of Onalaska in Polk County to assist the locals. On April 23, 2020, TX-TF 1 set up a Base of Operations at the Onalaska High School and began searches of the assigned neighborhoods. By evening all requested areas were completed.

On April 24, 2020, two more damage assessments were assigned in East Polk County. Once completed, the Task Force was released and returned to College Station, Texas. By that evening all members were back at their home stations.

APRIL 22-24
