

# 2020

## HURRICANE ZETA

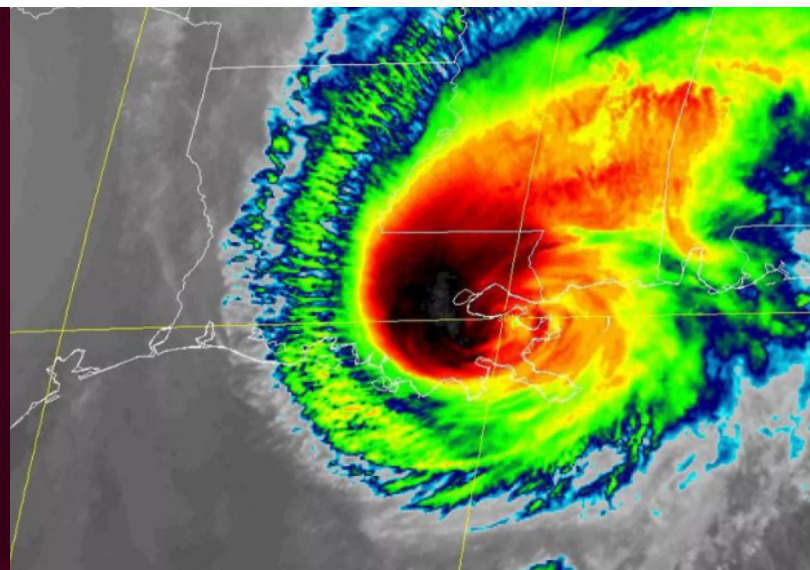

### Deployment Statistics

Lasted a total of 3 days

42 Personnel activated supporting the following resources:

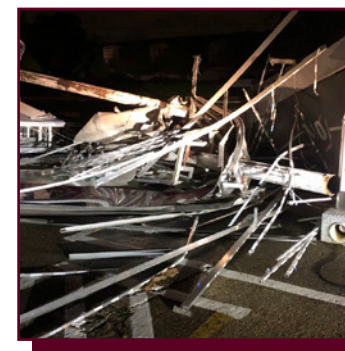

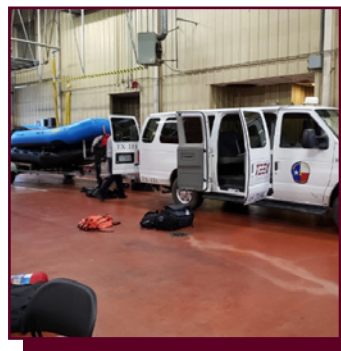

- Type 3 Search and Rescue Water Capable Team

Type - **RAIN**

On October 28, 2020, the Federal Emergency Management Agency activated Texas A&M Task Force 1 as a Type 3 Search and Rescue Water Capable Team to stage in Ponchatoula, LA due to the approaching Tropical Cyclone Zeta. The team remained ready for a few days.

On October 30, 2020, after no requests for service, all resources were demobilized back to their home stations.

OCTOBER 28-30
