

2021

1ST CHAMPLAIN TOWER COLLAPSE

Deployment Statistics

Lasted a total of 8 days

2 Personnel activated supporting the following resources:
• 2 Human Remains Canine Search Teams

Type – **COLLAPSED STRUCTURE**

On June 24, 2021, Champlain Towers South, a 12-story condominium in Surfers Paradise, FL, suddenly collapsed causing mass casualties. Many survivors were pulled from the structure and rubble that day, however some deceased victims remained.

On July 8, 2021, TX-TF 1 activated 2 Human Remains Canine Search Specialists to help recover the remaining victims. A total of 98 people lost their lives in the collapse.

On July 15, 2021, after all assignments were completed, the canine team demobilized to their home stations.

JULY 8-15
