

Deployment Statistics

Lasted a total of 3 days

27 Personnel activated supporting the following resources:

- 4 Swiftwater Rescue Squads
- 1 Helicopter Search and Rescue Team

Type – **RAIN**

On June 30, 2022, Texas Division of Emergency Management activated Texas A&M Task Force 1 in preparation of Tropical Weather expected to strike Region 2. The team consisted of 4 Swiftwater Rescue Squads and 1 Helicopter Search and Rescue Team. The water squads were to be staged in Beaumont, Galveston, Washington County, and at Headquarters in College Station, while the HSART was based at Bergstrom Airport in Austin, TX.

On July 2, 2022, with the weather leaving the state and no requests for service, the teams were demobilized back to their home stations.
