58 Personnel activated supporting the following resources:

- 8 Water Rescue Squads
- 1 High Profile Vehicle Squad

Type – **RAIN**

On May 17, 2021, the Texas Division of Emergency Management activated Texas A&M Task Force 1 to assist local responders with flooding in regions 1, 2, and 6. The first team included 4 Water Rescue Squads, 1 High Profile Vehicle Squad, 1 Water Group Supervisor, and a Support Specialist.

On May 18, 2021, the area affected by the flash flooding increased, so 4 additional Water Rescue Squads were activated along with a Water Group Supervisor and Support Specialist. Through May 19, 2021, the teams were spread across Texas in many counties completing recon of low water crossings and flood prone areas.

On May 21, 2021, after no requests for service, TDEM ordered the demobilization of all resources back to their home stations.
