32 Personnel activated supporting the following resources:

- 4 Water Rescue Squads
- 6 Helicopter Search and Rescue Technicians

Type – **RAIN**

On June 4, 2021, Texas Division of Emergency Management activated Texas A&M Task Force 1 to assist regions 2 and 6 with flash flooding. The initial team included 4 Water Rescue Squads, 3 Helicopter Search and Rescue Technicians, 1 Water Group Supervisor, and a Support Specialist. The teams were staged in Austin, College Station, and San Antonio.

On June 5, 2021, further resources including 3 more Helicopter Search and Rescue Technicians were activated to assist the team. Over the next couple of days Water Rescue Squads were moved around Texas as the threat of flooding changed to Victoria, Corsicana, and Waco.

On June 8, 2021, with the rain subsiding and no further requests for service, all resources were demobilized and returned to their home stations.
