Deployment Statistics

Lasted a total of 3 days

22 Personnel activated supporting the following resources:

- 2 Swiftwater Rescue Squads
- 1 Overhead Team

Type – **RAIN**

On August 21, 2023, the Texas Division of Emergency Management (TDEM) activated two Swiftwater Rescue Squads and an Overhead Team due to suspected flash flooding across Texas Region 3 from Tropical Storm Herold. They met with the local Agencies Having Jurisdiction and monitored the weather over the next day.

With Tropical Storm Herold leaving the state and the flood threat receded, all resources were demobilized and returned to their home stations on August 23, 2023.
